## WHY ME?

I am a dedicated and enthusiastic new software developer currently enrolled in a full-stack bootcamp. After some time working in the live production industry, I have decided to pursue my passion for software development and am now actively seeking opportunities as a software development intern or entry-level developer. With a foundation in languages and frameworks such as JavaScript, HTML, and Bootstrap, I am eager to apply these skills to real-world projects and gain valuable experience in the industry. I am committed to learning new technologies, collaborating with teammates, and delivering high-quality results. If you're looking for a motivated and driven software development intern, I am the perfect candidate for your team!
